Professional Career

11/2025 - today	Megerle Online, Topfruits Versand (social reintegration) <ul style="list-style-type: none"> Picking, packing Warehousing
5/2024 - present	Domestic help in the parents' household (return from seclusion) <ul style="list-style-type: none"> Kitchen (food preparation, washing up, order and cleanliness, cake baking) Garden (weed removal, irrigation, lawn mowing, well maintenance, harvesting, tree pruning, rose care, sweeping) Technology (problem solving with PC and smartphone, accompaniment of craftsmen, plumbing work, maintenance)
4/2011 – 4/2024	Art and experimental research on the own life in seclusion <ul style="list-style-type: none"> Research into language, writing, forms and colours in everyday life, especially effect and perception Conversion of perception to an egocentric worldview Exploring extreme minimalism through successive deconstruction
1/2007 – 3/2007	Siemens VDO Wetzlar <ul style="list-style-type: none"> Paid vacation
9/2005 – 12/2006	Siemens VDO Brandys n. L. Czech Republic Head of Project Management

-
- Establishment of a department for the introduction of development projects at the production site to ensure a safe launch
Management of 12 project managers involved in 49 development projects. The project teams contain the areas of work preparation, logistics, purchasing, quality and production and form the interface to the development and sales teams at international locations (Czech Republic, Germany, France, South Korea)
 - Subproject Manager for SV Production System, Product Life Cycle Management
- 6/2004 – 8/2005 **Production Launch Team, Task-Force Manager**
- Taking on critical development projects, coordinating multidisciplinary teams (supplier, development and production site)
- 1/2004 – 5/2004 **Production Manager Flat Module Assembly**
- Management of 40 production employees
 - Project Manager Optimization of Flat Assembly Production
 - Roll-out to other production areas
- 5/2003 – 12/2003 **Siemens VDO Wetzlar**
Manufacturing process expert in the relocation project team
- 1:1 relocation of production lines and manufacturing processes
 - Ensuring qualitative and quantitative output at the receiving site
- 9/2002 – 4/2003 **Siemens Technical Academy Bruchsal**
Part-time lecturer in communication networks
- Structure of a lecture series, script and exam preparation
 - Courses in two semesters with 30 students
- 3/2001 – 4/2003 **Siemens ICN Bruchsal**
Process Engineer for Surface Mount on Printed Circuit Boards
- Expert in process development for pick-and-place, soldering and automatic optical inspection
 - Project Manager "AOI for Batch Size 1"
 - Process consulting in development projects
- 6/2001 - 9/2002 **Part-time textbook author**
- Dampfphasenlöten, published by Eugen G. Leuze Verlag

Studies

4/2008 – 3/2011	<p>Independent studies in art and language</p> <ul style="list-style-type: none"> • University Library • Arthouse cinemas • Translation of 5 books • Thought experiments, possibility of parallel thinking • Heidelberg and the Neckar Valley to Ziegelhausen
3/2007 – 3/2008	<p>Master's degree in Slavic Studies, Art History, Musicology at the University of Heidelberg</p> <ul style="list-style-type: none"> • Lectures, tutorials and exams • Coursework, homework • Dropped out after the 2nd semester
10/1996 – 10/2000	<p>Diploma in Mechatronics FH-Karlsruhe</p> <ul style="list-style-type: none"> • Diploma thesis "Evaluation of an industrial soldering process using the example of vapor phase soldering", grade 1.3 • Diploma certificate grade 2.0 • Interdisciplinary subjects from mechanical engineering, electrical engineering, computer science, optics, economics • Student thesis "Immersion experiment", circuit design, microcontroller, internet documentation • 1st practical semester Siemens PL EA Bruchsal and Munich Assembly, development and repair of placement machines • 2nd practical semester Siemens ICN, Lake Mary, Florida, USA Configuration, test, software production, programming of telephone distributors
10/1993 – 9/1996	<p>Diploma in Electrical Engineering at the Technical University of Karlsruhe</p> <ul style="list-style-type: none"> • Basic theoretical subjects: mathematics, physics, electrical engineering, computer science, engineering mechanics • Intership Inotech Gas Counting Systems Karlsruhe Circuit Design Based on a Physical Device • Dropped out after the 4th semester

Jobs

8/1999 – 2/2001	<p>Stegmaier Garden Planning, Planting and Maintenance Kronau Landscape Gardener</p>
-----------------	-------------------------------------------------------------------------------------------------

2/1999 – 2/2000	StZ Mikro- und Systemtechnik Karlsruhe Assistant <ul style="list-style-type: none">• Website design• Implementation of Internet user training courses
8/1998 – 9/1998	Siemens ICN Bruchsal Working student <ul style="list-style-type: none">• Product data maintenance
5/1996 – 10/1996	Kornmanntransporte Karlsdorf Truck driver for insulation materials

Military service

7/1992 – 9/1993	Basic training Ebern tank reconnaissance Post Philippsburg, Shift Leader Non-Commissioned Officers' Home
-----------------	-------------------------------------------------------------------------------------------------------------------------------------

School education

1983 - 1992	Gymnasium St. Paulusheim Bruchsal, Abitur grade 2.5
1979 – 1983	Primary School Primary and Secondary School Ubstadt

Languages

German	Mother tongue
English	3 years of business language
French	School French
Czech	5 books translated
Latin	Great Latinum
Russian	Cyrillic
Croatian	1 semester at university of Heidelberg
